

EQUAL OPPORTUNITIES POLICY

Introduction

First Aid Awards (FAA) is committed to supporting equal opportunities in all activities and services that it provides by complying with all current and relevant legislation.

Everyone related to the design, delivery and award of FAA qualifications must be aware of, and adhere to, this policy.

FAA Centres

FAA requires a Centre to have an Equal Opportunities Policy and undertake the delivery of qualifications in accordance with Equalities Law. The Centre must have systems in place to ensure the effectiveness of their policy and learners must be made aware of the Centre policy.

A Centre is required to make any reasonable adjustments following the FAA Reasonable Adjustment Policy.

Should a Centre need any assistance in the allocation of a reasonable adjustment they should contact FAA for guidance.

Centres must document all reasonable adjustments allocated and retain all evidence for a period of 3 years.

The Equality Act 2010

The Equality Act 2010 covers direct and indirect discrimination in relation to the following protected characteristics:

- Age
- Disability
- Gender reassignment
- Marriage and civil partnership
- Pregnancy and maternity
- Race
- Religion or belief
- Sex
- Sexual orientation

The Equality Act 2010 also covers harassment and victimisation.

FAA Policy

FAA will:

- Provide ongoing guidance for FAA staff, consultants and FAA Centres ensuring that everyone works under the same principles
- Refer to this policy when developing and reviewing FAA qualifications, units and assessments to ensure that learners with protected characteristics will not be disadvantaged
- Ensure that any unjustifiable disadvantages are removed
- Maintain a record of any disadvantage which FAA believes to be justifiable, setting out the reasons why removal would affect the integrity of the qualification
- Have clear arrangements for making reasonable adjustments in accordance with Equalities Law as stated in the FAA Reasonable Adjustment Policy
- Make every practical effort to ensure that materials, services and facilities are free from bias

Equal Opportunities Monitoring

FAA will monitor all qualifications to ensure that no learner, or group of learners sharing a particular characteristic have been disadvantaged. Requests for reasonable adjustments are documented during the registration of learners and monitored during quality assurance processes.

EQUAL OPPORTUNITIES POLICY
