

PRICING POLICY

It is the policy of First Aid Awards (FAA) to have a pricing structure that is:

- Fair and appropriate
- Clear and transparent, with no hidden extras
- Value for money for Centres, recognising their need to be commercially competitive

FAA Centre

Registration

Registration fee (includes £250.00 for an External Quality Assurance Centre visit) £ 340.00

It is a quality assurance requirement that FAA Centres have an external quality assurance visit within 3 months of registration.

For FAA Centres offering SQA Accreditation qualifications, the visit must take place before awarding any SQA Accreditation certification.

Ongoing external quality assurance

External quality assurance (EQA) Centre visit (biennial) £ 250.00

Desktop external quality assurance audit (biennial) FREE OF CHARGE

Ad hoc EQA Centre visit (as below) £ 250.00

Annual FAA external quality assurance procedures alternate between Centre EQA visits and desktop audits.

Ad hoc EQA visits may be required, for example during an investigation of suspected maladministration/malpractice or following a complaint, appeal or unsatisfactory quality assurance procedure. The Centre will be informed of the fee and the reason for the visit in advance.

EQA Centre visit cancellation

An EQA Centre visit cancelled within 14 - 28 days of the visit date will be charged at 50% of the visit fee and a visit cancelled within 14 days of the visit date will be charged at the full EQA visit fee.

Appeal review

If an FAA Centre wants to appeal against a decision made by FAA and escalate to an appeal review, a fee of £200 is payable when lodging the appeal. The fee will be refunded if the appeal is upheld.

PRICING POLICY

Learner certification fees

Includes a laminated, credit card sized qualification card
