

# PRICING POLICY

It is the policy of First Aid Awards (FAA) to have a pricing structure that is:

- Fair and appropriate
- Clear and transparent with no hidden extras
- Value for money for Centres recognising their need to be commercially competitive

## FAA Centre

### Registration

**Registration fee (includes £250.00 for the initial External Quality Assurance Centre visit)** £ 340.00

It is a quality assurance requirement that FAA Centres have an external quality assurance visit within 3 months of registration. For FAA Centres offering SQA Accreditation regulated qualifications, the visit must take place before awarding any SQA Accreditation certification.

### Ongoing external quality assurance

**External quality assurance (EQA) Centre visit (biennial)** £ 250.00

**Desktop external quality assurance audit (biennial)** FREE OF CHARGE

Annual FAA external quality assurance procedures alternate between Centre EQA visits and desktop audits.

### Ad hoc Centre visit

Ad hoc EQA visits may be required for example during an investigation into suspected maladministration or malpractice, following a complaint or appeal, or an unsatisfactory quality assurance procedure.

The Centre will be informed of the fee (£250.00) and the reason for the visit in advance.

### Unannounced Centre visit

FAA reserve the right to conduct unannounced visits if it is considered that there are reasonable grounds for doing so. In this situation the Centre will not be informed beforehand and invoiced after the visit if appropriate.

### EQA Centre visit cancellation

An EQA Centre visit cancelled within 14 - 28 days of the visit date will be charged at 50% of the visit fee and a visit cancelled within 14 days of the visit date will be charged at the full EQA visit fee.

### Independent appeal review

If an FAA Centre wants to escalate an appeal to an independent appeal review, a fee of £200 is payable when lodging the appeal. The fee will be refunded if the appeal is upheld.

# PRICING POLICY
